September PTO Newsletter

On behalf of the PTO, we would like to welcome everyone back to school. You ask what is PTO? PTO stands for Parent-Teacher Organization, consisting of parents and teachers working together to support and enrich all students. We support school staff, help promote student self-esteem, and assist in efforts to solve school needs through volunteering and funding. As you can see, we are a small and busy group. This is where you can come in! We need your help, and so do your child(ren). A special thanks to all of our volunteers from last year for all their hard work and dedication. Here at Ritzman CLC, we strive for excellence and what better way than to become involved today. We are in need of growth and are seeking volunteers to continue re-establishing the organization. We have planned some exciting events this year in hopes to get more parents involved in their children's education. The PTO is a team effort in which we cannot succeed on our own. Please consider joining the PTO and remember "Alone we can do so little, together we can do so much." The children love making memories with their loved ones.
